

2018 GROWTH GROUPS

Sunday Growth Groups (10:30 am)

Sermon-Based GG-- *Guardrails*: Avoiding regrets in your life. In this six-session small group Bible study (DVD), Andy Stanley challenges us to stop flirting with disaster and establish personal guardrails. Ever wonder what it would be like to have guardrails in other areas of your life—areas where culture baits you to the edge of disaster and then chastises you when you step across the line? Maybe your greatest regret could have been avoided if you had established guardrails.
